

DIRECTIONS FROM LAGANITAS CAMPGROUND TO THE BRAZOS RIVER RANCH

- 1** After you go past the Laganitas Campground entrance, continue on FR 87, for about 1 mile until you come to a “Y” in the road. This “Y” will be about a ½ mile after you have crossed a small bridge over Laganitas Creek.
- 2** When you come to the “Y” in the road, bear left onto FR 87F. You will see a sign stating “Use Limited to Private Access”. (**Don’t go to the right at the “Y”!**)
- 3** Continue on FR 87F for a little under a mile from the “Y” until you get to a green gate with a sign on it saying “Brazos River Ranch, LLC”. Go through the gate, you’re almost there. (The lat/lon for the gate is: 36°52.286 N by 106° 20.272 W)
- 4** After going through the gate, you will go about ¾ of mile to a small ranch house and some corals on your left. Just a little way past the ranch house is a right turn up to the cabins and The Brazos River Ranch. You made it! (The lat/lon for the Ranch is: 36°51.951 N by 106°20.591 W)
